

House rules

We have tried to provide our guests with a decent place for their stay.

We would ask you to respect this effort by ours and our subsequent guests after your departure.

- The lights work only by inserting the card into the card switch
- Lock all the doors of the house when you leave it.
- We would like to ask you not to smoke inside the house.
- Parties, noise and the entry of more people than those declared in the reservation are prohibited.
- Please respect the space, keep it clean and avoid actions that may damage or destroy the furniture and appliances.
- Respect the common quiet hours every day from 15:00-18:00
- Do not cut anything directly on the kitchen counter, table, electric hotplates and sink. Please use the cutting board.
- Do not use sharp objects on the non-stick cookware and hotplates and do not drag the cookware over them.
- Do not throw papers and garbage into the toilet bowl. There is a basket right next to her.
- There are stairs outside the apartment. Beware of small children. There is a risk of an accident. You must have them under your supervision.
- The air condition works only with the window and door closed.
- Respect the privacy and tranquility of the neighbors.
- There is a solar water heater that provides hot water continuously.
